

TASK FORCE ACTION ITEMS- September 18-19, 2008

Requests of Others

1. DWR and DFG should provide comments on "stable revenue streams" as soon as possible.
2. Environmental Defense Fund will provide comments on whether or not local water conservation should be mandated and paid for at the local level.
3. Delta Wetlands will develop language for the Delta as Place recommendations regarding protection of the current Delta landform.
4. The Central Valley Regional Water Quality Control Board will draft language for Strategy 3.5 related to enforcement of water quality standards.

General requests to Staff

5. Identify and provide existing cost estimates for bringing all Delta levees up to the PL 84-99 Standard from Delta Risk Management Strategy (DRMS).

Direction to Staff on Development of Fifth Staff Draft of the Strategic Plan

6. Develop a recommendation to secure improved information on water use.
7. Include a "checklist" of specific recommendations to the Legislature at the back of Volume 2 of the Strategic Plan.
